## CANAPÉS

A canapé function is a great choice for parties, allowing from 20 up to 300 guests to mingle easily. Our friendly servers circulate with platters of delicious canapés while you and your guests have fun. We can provide a microphone for speeches and set up a water station and tables for a cake and/or presents. Play your favourite playlist over our sound system, bump up the atmosphere with a singer or really get party-goers up on the dancefloor with a live DJ!

We recommend you provide each guest with a minimum of five canapés. Each canapé costs \$6. We are happy to modify dishes to suit your dietary requirements.
